2. Citations and explanations (Rule 70.7)

Documents cited in the International Search Report:

D1: US 5372354 A1

D2: US 5364076 A1

The cited documents represent, after the amendment to the claims has been made, only the general state of the art.

The invention defined in the new claims 1-12 is not disclosed by any of these documents.

The cited prior art does not now give any indication that would lead a person skilled in the art to the claimed screening off arrangement which is simple to mount and dismount but at the same time satisfies requirement on safety in order to prevent unintentional access to a screened off machine and consequential accidents.

Therefore, the claimed invention, in the amendment claims, is not obvious to a person skilled in the art.

Accordingly, the invention defined in claims 1-12 is novel and is considered to involve an inventive step. The invention is industrially applicable.
